"I have never seen the likes of this new HI-VITA," a registered Nurse of 26 years experience stated recently. "A patient of mine was terribly sick. She was pale and weak and had lost so much weight that she looked almost like a corpse. She had no appetite food she did eat caused acid indigestion. She was headachy and nervous. Her husband read about HI-VITA in the paper and got a bottle for her. Believe me, I have never seen anybody improve as much as she did even before she had finished taking that one bottle. She is up and about now, doing her chores like she had never been sick." (This is a bonafide statement given voluntarily by a highly respected professional Nurse).

New HI-VITA Tonic has helped many men and women who had tried other medicines and treatments with no results. Contains no alcohol. Go to Howell & Heggie Drug Store in Durant and get HI-VITA now — today! Tomorrow you will be glad you did.
